**SAFETY PREPARATION**

Your ability to react effectively during an emergency takes preparation. The Office of Emergency Management and Safety wants you to be prepared to react immediately. To start, you should know the locations of: the two safest and most direct evacuation routes (see posted evacuation route signs in classrooms), the locations of designated Assembly Areas outside the facility, shelter-in-place areas for a severe weather event, and the nearest automated external defibrillators (AEDs). For additional emergency preparedness information, visit the Office of Emergency Management and Safety website at www.nvcc.edu/emergency.

FIRE/EVACUATION

- Activate the nearest fire alarm and call 9–1–1 if possible. If there are no fire alarms, knock on doors and yell “fire” as you exit the building.
- Evacuate the building. Do not use elevators!
- Feel closed doors with the back of your hand. Do not open if doors are hot.
- Move well away from the building when evacuating. Assemble at designated assembly areas.
- Do not re-enter the building until cleared by authorized personnel.

SEVERE WEATHER/SHELTER-IN-PLACE

If the area is under a Severe Weather/Tornado **WARNING**, or if notified to shelter:

- Seek shelter immediately in a Severe Weather Shelter Area or go to an interior hallway or room; the lowest level in the building; and/or an area free of windows or glass.
- Protect your body from flying debris with any available furniture or sturdy equipment.
- Use your arms to protect your head and neck.
- Wait for the “All Clear” before leaving your shelter area.

VIOLENCE/ACTIVE SHOOTER

Determine the most reasonable way to protect your own life and call 9–1–1 or 703–764–5000 when it is safe to do so.

- **Run** and evacuate if you can. This may be your best chance of survival. Have an escape route in mind. Leave valuables behind and keep hands visible.
- **Hide** in an area outside of the shooter's view. Block entry to your hiding place and lock doors. Turn off lights and silence electronic devices.
- **Fight** as a last resort and only when your life is in imminent danger. Attempt to incapacitate the shooter. Act with physical aggression.
